

Giving back...

together anything is possible!

100% of tickets proceeds to benefit charity.

The PGA TOUR's continuing commitment to charitable contribution has proven to be a great opportunity to raise funds for non-profit organizations through the ANSYS TICKETS Fore CHARITY program. In 2010, the Mylan Classic Presented by CONSOL Energy is pleased to announce that 100% of all ticket sales will be donated to participating regional charities. Together with your help, we are striving for new heights with respect to the PGA TOUR's community impact on the quality of life for those in need.

100% of the proceeds from this ticket sale will be donated to your charity of choice.

FACT

In addition to the 100% donation that each organization will receive for their ticket sales, ANSYS has graciously provided a \$25,000 Bonus Pool. The Bonus Pool will be divided amongst the benefiting charities based on each organization's percentage of total ticket revenue from the ANSYS TICKETS Fore CHARITY program. As you can imagine, this is an incredible opportunity for non-profit organizations to generate funds that support their outreach and mission.
